

COMMERCIAL DISPLAY ACCESSORIES

VB-STND-003

Key Features

- Built-in power supply passthrough
- Integrated on-screen control (IFP5550 / IFP6550 / IFP7550)
- 90-degree tilting for tabletop mode
- Integrated tray for pens and other items

Product Description

Featuring a smooth motorised lift with flexible tilt functionality, the ViewSonic® VB-STND-003 motorised trolley securely accommodates ViewSonic 55", 65", and 75" ViewBoard® interactive flat panel displays, or any display weighing up to 100 kg. With integrated on-screen control, the trolley can be manipulated directly from the ViewBoard touchscreen (IFP5550 / IFP6550 / IFP7550), allowing you to easily raise, lower, or tilt the ViewBoard with a single tap. Tilt just a bit for customised viewing, tilt a bit more for a drafting table feel, or position horizontally in tabletop mode to create an interactive learning table or huddle space. With sturdy, quiet wheels, this mobile trolley lets you move the ViewBoard display from room to room for easy sharing of resources.
