Web portal and mobile app

Product overview

The Zioxi VCB1-24S-M-O is a connected floor-standing charging locker for twenty-four Chromebooks, tablets and smaller laptops. A separate front-accessed electrical bay contains twenty-four UK mains sockets and space for manufacturer AC adapters. onView MIFARE RFID access and the web/app platform support self-service workflows, remote control, audit trails, green charging and reporting.

- + Connected locker modes: Configure Loan, Break/Fix, Private and Public workflows.
- + Remote control: Open doors, assign users, quarantine bays and change operating modes.
- + Audit and reporting: Track user activity, power consumption, temperature, events and location.
- + Green charging: Schedule charging during lower-carbon or lower-cost periods.
- + Flexible AC charging: Supports manufacturer wall-plug and brick-style power adapters.

Overall dimensions: 1770 H x 530 W x 460 D mm

Technical specifications

Short product code	VCB1-24S-M-O
Current full UK code	VCB1-24S-M-O-G-UK
