Product overview

The Zioxi VCB1-10S-UC-O is a connected desktop charging locker for ten Chromebooks, smaller laptops and tablets. Integrated USB-C Power Delivery provides up to 60 W per bay, while onView MIFARE RFID access and cloud management support self-service loan, public and private locker workflows. Fitted charging cables are presented neatly through oneClick cable ports.

- + Smart locker modes: Loan, Break/Fix, Public and Private modes are configurable through onView.
- + Remote administration: Open doors, assign users, quarantine bays and edit locker settings remotely.
- + Audit and reporting: Searchable activity, power use, temperature, event and location information.
- + Green charging: Charging schedules and rules can reduce electricity use and carbon impact.
- + Ready to deploy: Ten USB-C to USB-C cables are included and fitted.

Overall dimensions: 720 H x 530 W x 450 D mm
