New Presence Wall/Floor

Do you need to mount a large and heavy display or touch sensitive display on a regular wall? With a quick, easy and stylish installation too?

Presence Wall/Floor makes it all possible, a perfect support in the lobby area or conference room. The smart design shifts the weight to the floor. The stand itself uses very little floor space and is perfect in small spaces where a floorstand with legs would be in the way. The Presence Wall/Floor is extensively pre-mounted for easy installation and the design is protected.

Cables and peripherals are hidden inside.

Finish: New! Dark Grey.
