

Pro Series 3

The essential choice for interactive excellence

The Pro Series 3 is an EDLA-certified touchscreen display built for seamless collaboration and superior connectivity, engineered for efficiency and sustainability. It delivers 20% greater power savings than previous models and features ultra-responsive 50-point touch precision for smooth, accurate interaction.

Available in a range of sizes 65" 4K | 75" 4K | 86" 4K

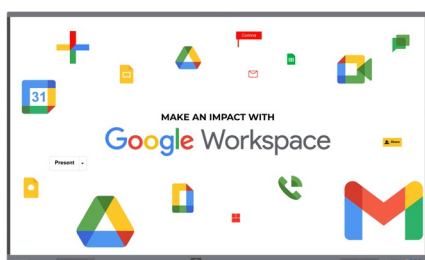

More features. Better performance.

Designed for modern classrooms, it includes advanced digital whiteboarding, effortless wireless casting, and centralised device management software.

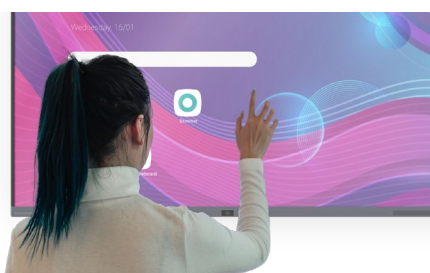

The Key Features

Google EDLA-Certified

Access your go-to apps, Google Drive, Docs, Sheets, Slides, Teams, Word, PowerPoint, and more, right from the screen via Google Play. Manage access and implement download restrictions to stay in control.

Reduce energy costs by 20%

Compared to previous generations. Sustainable design with ultra-low power standby mode - a win for your budget and the environment.

Any Screen, Any Time

With integrated NFC, users can simply swipe their fob, card, or device to load their personal profile on any Clevertouch anywhere in the world.

Software included at no extra cost

Your IT team can control, update, and troubleshoot a fleet of Clevertouch screens without being in the room, ensuring your users always have the latest versions of apps and software.

[Learn More](#)

LYNX Whiteboard is a free, dynamic app for building engaging sessions, whether for lessons or presentations. Designed for real-time collaboration, it offers the most intuitive user experience of any whiteboard, supporting interaction, creativity, and cloud access across environments.

[Learn More](#)

Download the Clevershare App to your phone, tablet or laptop, and connect instantly by typing in the code shown on the Clevertouch screen. The Clevershare App is free to download and compatible with Android, Windows, iOS, and Chrome devices.

[Learn More](#)

CleverLive is a cloud digital signage content management platform which connects all your Clevertouch products enabling broadcasting of messages, announcements and alerts. Use editable templates or create your own presentation.

Features

SD Card Player for expandable storage up to 648 GB

Anti-Glare Display reduces reflections and improves the viewing experience in brightly lit rooms or rooms with windows.

The most fluid, lag-free writing experience on a touchscreen with true 4K high Precision Technology.

Room-filling sound with 2x 25W speakers + 20W Subwoofer.

Sync with Google Drive, OneDrive, and Dropbox - work anywhere, anytime.

Add any USB camera for instant video calls, remote collaboration, or hybrid learning

Wireless or hardwired connections so team members and visitors can connect safely using separate networks.

Seamless integration with room booking system - Sync with your MS Exchange™ and Outlook 365 calendars.

Improve communication with instant messages and alerts using CleverLive digital signage.

A five-year comprehensive warranty and the option to extend to seven years.

Instant Over-the-Air Updates (OTA) seamlessly delivered to your display.
