Product overview

The Zioxi VLSB-16S-MUC-O combines Bring Your Own Device mains charging with integrated USB-C Power Delivery. Each of the sixteen compartments contains a UK mains socket for the user's AC adapter and a fitted USB-C cable delivering up to 60 W. onView MIFARE RFID access and cloud management support flexible self-service and dedicated-user workflows.

- + Dual charging choice: Use the fitted USB-C lead or a manufacturer AC adapter.
- + Cables included: Sixteen USB-C to USB-C cables are supplied and fitted.
- + BYOD convenience: Device, AC adapter and cable can remain together in the bay.
- + Smart locker control: onView supports Loan, Private and Public modes.
- + Service-friendly: USB-C electronics are housed in a separate front-accessed bay.

Overall dimensions: 1770 H x 580 W x 510 D mm
