CleverAscent Trolley

The CleverAscent Trolley is suitable for use with 55-86" displays and offers great flexibility. With an extended range of high-low adjustments, the CleverAscent Trolley makes your touchscreen accessible. Thanks to the mobile frame, you can effortlessly move your touchscreen within your classroom, or to another room completely. The CleverAscent Trolley is equipped with anti-collision capability, a blocking protection. When the screen touches something during a movement the trolley will stop and back up.
