Compatibility
Chromebooks, smaller laptops and tablets
up to 14 inches

Charging
Integrated USB-C PD 3.0, up to 60 W per
port

Security
Individual key locks with master-key
access

Product overview

The Zioxi VCB1-10S-UC-K is a compact desktop Volt 1:1 charging locker for 10 Chromebooks, smaller laptops and tablets. Each device is stored in its own secure compartment. Integrated USB-C Power Delivery electronics are housed in a separate front-accessed electrical bay, helping keep heat and excess cabling away from the individual device compartments.

- + Up to 60 W per port: USB-C PD 3.0 charging supports laptops, Chromebooks, tablets and phones.
- + Individual secure storage: Ten separately key-locked compartments with master-key access.
- + Neat cable presentation: Zioxi oneClick cable ports expose only a short cable length inside each bay.
- + Front electrical access: Setup and maintenance remain straightforward when the locker is placed beside furniture.
- + Robust construction: Aluminium double-wall front and doors with a white MFMDf carcass.

Overall dimensions: 720 H x 530 W x 450 D mm

Technical specifications

Short product code	VCB1-10S-UC-K
Current UK configuration code	VCB1-10S-UC-K-G-UK

USB-C cables included	No - individual USB-C device cables are required and purchased separately
Warranty	5 years; 2 years for electronics; 1 month for USB cables when supplied

Model-code note: The shortened SKU VCB1-10S-UC-K corresponds to the current UK grey-number-strip configuration VCB1-10S-UC-K-G-UK. The absence of a trailing # means USB-C to USB-C device cables are not included or pre-fitted.

Compatibility notes

- Check the device and case dimensions with the USB-C connector plugged in before ordering.
- The 50 mm locker height must accommodate the complete device, case and connected cable.
- Contact Zioxi before use with an iPad Air 4th generation device.
