4K UHD, Vibrant Viewing in Ultra High Resolution

LG UHD TVs surpass your expectations every time. Experience lifelike picture quality and vivid colors with four times more pixel accuracy than Full HD. LG's powerful processor boosts the resolution to the original quality and 4K Super Upscaling enhances resolution, brightness, and clarity. Vibrant colors and brightness take the screen resolution to new heights. Jump into elevated image quality with sharper contrast by HDR10 Pro*.

* HDR10 Pro is a technology developed by LG Electronics based on the standardized picture quality of standard 'HDR10'.

Get Total Connectivity from Your TV

Cast your apps directly onto your TV. See content from your iPhone or Android device on your LG TV screen effortlessly with Apple AirPlay and Chromecast built-in.

* All images are for illustrative purposes only.

Easily Accessible to Netflix Application

Experience a wide variety of video content from Netflix on NU85CB. Enjoy the comfort of your room and a streaming service that offers a thousands of selections.

* Netflix membership required.

Comprehensive Security with LG Shield

webOS goes beyond security EU/CIS measures at the operating system (OS) level. LG Shield employs a five-tiered defense system, encompassing server, application, operating system, system, and hardware. Each layer operates independently, providing comprehensive protection against various threats.
