

BT8559

MOTORISED HEIGHT ADJUSTABLE FLAT SCREEN FLOOR-TO-WALL STAND

The BT8559 is a motorised, height-adjustable floor-to-wall stand designed for displays up to 100" in size. Its electronic height adjustment system allows for effortless raising and lowering of the screen via a wired control panel, with an adjustment range of up to 650mm that makes the display accessible to a variety of users. Capable of mounting interactive touchscreens of up to 100kg and featuring a sleek and modern design aesthetic, quick assembly and ease of use, the BT8559's performance in educational and corporate settings is unmatched. An integrated storage unit at the rear provides convenient space for cable management and AV equipment, making the complete AV set up both neat and practical.
