PRODUCT CODE 7431-UK

HEIGHT	WIDTH	LENGTH	STORAGE CAPACITY
815 mm	660 mm	510 mm	16

CHARGE OPTIONS
Charge using your own cables via mains plug

FEATURES

Strength - the welded steel construction and full length piano hinges provide a highly durable solution.
Lockable - separate lockable charging compartment for peace of mind.
Perfect charge - each tablet is profiled and the optimum charge is then delivered to each device.
Wall docking - securely attached to the building with robust docking brackets.
Easy wheel - large diameter, individually locking wheels with four grab handles for easy maneuvering.
Smart design - small footprint and strong but lightweight design includes numerous features like the rounded corners to protect door frames and walls with large diameter wheels. Each of which has independent locking.
External main power supply - switched and fused, safely tucked away (underneath or on the rear), with a storage shelf
Low power consumption - natural convection ventilation to prevent heat build up inside the unit without the use of electric fans.

This solution has been specially designed for the management of multiple tablets and iPads. The unique Loxit design combines weight saving technology with years of engineering expertise.

Flexible storage within each compartment - 270 x 300 x 30mm - the ideal space for... Laptops, E Readers, Tablets and Phones. Four grab handles provide excellent maneuverability with easy access to the tablets from above.

The Tabcart is an integrated truly-universal USB hub to store, charge, secure and sync any USB chargeable device.
