

ELMO MX-P3

PORTABLE 4K VISUALISER WITH MULTIPLE OUTPUTS

ELMO IN PRACTICE

At University & School

At Business Meeting & Web Conference

As an interface between the analogue and digital world, ELMO MX-P3 enhances your presentation with or without a computer. It allows you to show paper documents, 3D objects or anything you want to highlight in detail to the whole audience. It is super slim and light weight. Take it anytime whenever you wish to make your best presentation and save it with a SD Card.
