Samsung Hospitality Displays

HT5300 Series (EU)

Highlights

- Showcase content in Full HD resolution
- Improve picture clarity and detail with HDR technology
- Complement any room with slim, stylish design
- Welcome guests with customizable and intuitive homescreen application
- Offer guests easy access to various content and entertainment
- Manage all displays and the full guest experience seamlessly with powerful LYNK Cloud

SAMSUNG

Watch the stunning detail

Samsung's HT5300 displays bring the power of High Dynamic Range (HDR) picture refinement to any hotel room. HDR technology enhances the brightness expression of the display, ensuring that guests enjoy an immense spectrum of colors and visual details, even in dark scenes.

Stylish design for any space

The HT5300 Series has a slim, modern design that naturally fits into any hotel style with a sleek and polished finish. This beautifully slim design will also ensure a display that stands the test of time, while freeing up space to create a more harmonious room environment.

Create an unforgettable welcome

HT5300 Series provides a first-class welcome experience for guests. The intuitive, customizable home application can incorporate customized welcome messages, hotel logos and branding, as well as other useful information to ensure each guest starts their stay off right.

## Experience a comprehensive hospitality solution

Samsung LYNK Cloud empowers hotels with a powerful set of tools to enhance guest experience. LYNK Cloud provides remote display management and can even analyze guests' content use to uncover marketing insights that help hotel managers deliver optimized promotions.
