

Zioxi CHRG-LS-32-R

32-Bay Laptop Charging Trolley with RFID Locks

Secure mobile charging for 32 laptops

The CHRG-LS-32-R provides organised charging and secure mobile storage for up to 32 full-size laptops. Devices sit horizontally on individual shelves, while their manufacturer-supplied AC adapters are concealed within a separate electrical compartment.

Sequential power start helps control electrical loading when all devices begin charging.

RFID

Dual RFID security

Two RFID access-card locks with master-key override help control device access.

SECURITY

Key features

- Charges 32 laptops using their manufacturer-supplied AC power adapters.
- Separate secured electrical compartment keeps power bricks and mains cabling concealed.
- zioxi oneClick cable management presents only a short, tidy charging lead at each shelf.
- Sequential power start helps avoid fuse and circuit-breaker issues when charging begins.
- Two RFID access-card or fob locks, each with master-key override.
- Doors fold back through 270 degrees and are retained magnetically for clear access.
- Large lockable castors and integrated handle cut-outs support safe mobility.
- Requires only one external mains power socket.

Technical specifications

Model-specific data for CHRG-LS-32-R

Manufacturer	Zioxi
Manufacturer part number	CHRG-LS-32-R
Product type	Mobile laptop charging trolley
Device capacity	32 laptops
Maximum device size	Suitable for laptops and netbooks with screens up to 16 inch, subject to shelf and connector clearance
Shelf aperture	450 mm deep x 300 mm wide x 40 mm high
External dimensions	950 mm high x 1120 mm wide x 550 mm deep
Charging method	Manufacturer-supplied AC adapters connected to internal UK or EU-style sockets
Supported adapter rating	Laptop AC chargers up to 65 W; other configurations available by request
External power requirement	1 mains power socket
Power management	Sequential power start / power management included as standard
Lock type	2 RFID access-card / fob locks with master-key override
Mobility	Large lockable castors and integrated steering handle cut-outs
Doors	Lockable doors fold back 270 degrees with magnetic retention
Finish	White melamine-faced MDF carcass and doors; compact laminate top; extruded shelves; Zioxi-blue metal electrical-compartment cover
Warranty	5 years; 2 years for electrical components
Included power adapters/cables	Not included; designed for use with the individual laptop adapters and charging cables

Device compatibility note

Shelf dimensions must accommodate the laptop and its connected power plug. Take particular care where the charging connector is located on the rear edge. Confirm critical device dimensions before purchase.

Supply and imagery note

Laptops, AC adapters, RFID cards/fobs and charging cables are not stated as included. Product imagery may show devices or alternative lock options for illustration only.

Data source: current Zioxi manufacturer product page and Zioxi laptop charging trolley specification sheet. Specifications can change without notice; confirm critical dimensions and electrical requirements before purchase or installation.
