EAN-13: 0766623154420 | UPC: 766623154420

HDMI 4K 4-Port KVM Switch for Seamless Control and Enhanced Productivity

The 4-Port HDMI KVM Switch 4K@30Hz is the ultimate solution for professionals, IT admins, and multimedia users who need to manage up to four HDMI-equipped computers with a single keyboard, mouse, and monitor. Ideal for boosting efficiency, this versatile switch streamlines multitasking across multiple systems.

Crisp 4K Visuals for Enhanced Clarity

Enjoy clear, detailed images with resolutions up to Ultra-High-Definition (UHD) 4K@30Hz (3840 × 2160). Whether you're editing media, working with digital signage, or performing IT maintenance, this switch ensures sharp visuals with accurate colors and smooth performance.

Convenient Switching for Maximum Efficiency

Easily switch between your connected devices using the front-panel push button or convenient keyboard hot keys — ensuring fast transitions with minimal effort.
