

VLSB-16S-MUC-K

16-bay Volt BYOD laptop charging locker with a mains socket, 60 W USB-C charging cable and key lock in every compartment

Capacity

16 individually secured devices

Dual charging

One UK mains socket and one USB-C lead per bay

USB-C output

PD 3.0 charging up to 60 W per port

Security

Individual key locks with master-key access

Product overview

The Zioxi VLSB-16S-MUC-K combines Bring Your Own Device mains charging with integrated USB-C Power Delivery in sixteen individually secured bays. Each user can connect a manufacturer AC adapter to the internal UK socket or use the fitted USB-C lead. Chargers and devices remain together in the locker compartment, while the USB-C power electronics are protected within a separate front-accessed service bay.

- + Maximum flexibility: Supports manufacturer AC adapters as well as integrated USB-C PD charging.
- + Cables included: Sixteen USB-C to USB-C cables are supplied and pre-fitted on the current # configuration.
- + Large-device storage: Suitable for laptops, Chromebooks and tablets in the 17-inch class.
- + Protected service area: USB-C power electronics and excess cabling are separated from device bays.
- + Locker-bank ready: Front service access, adjustable feet and 180-degree folding doors aid installation.

Overall dimensions: 1770 H x 580 W x 510 D mm

Technical specifications

Short product code	VLSB-16S-MUC-K
Current full UK code	VLSB-16S-MUC-K-G-UK#

Optional accessory	VLSST sloping-top module, 580 W x 510 D x 200 H mm
Warranty	5 years; 2 years for electronics; 1 month for supplied USB cables

Compatibility and ordering notes

- The user's shortened code omits -G-UK#; the # denotes supplied and fitted USB-C cables.
- The 83 mm aperture must accommodate the device, case and connected power plug.
- Use manufacturer-approved AC adapters and USB-C PD-compatible devices.
- Change -UK to -EU for European Schuko outlets and mains leads.
