Ultra-Heavy Duty Mobile TV Stand / Trolley with Crank Handle for Effortless Height Adjustment of XXL Displays

From boardrooms to classrooms, the Manhattan Multimedia TV Cart with Tool-Free Height Adjustment delivers professional-grade performance with effortless flexibility. Designed for one 60" to 120" TV weighing up to 120 kg (265 lbs.), this high-performance stand combines mobility, flexibility, and sleek design.

Flexible Viewing at Any Height or Angle

Effortlessly raise or lower your screen from 1180 to 1630 mm (46.5 to 64.2 in.) using the included crank handle. With a -10° to +5° tilt range and tool-free adjustment, you can find the perfect viewing angle for every setting.

Smart Storage and Conference-Ready Features

Keep your accessories organized and within reach with the height-adjustable AV

shelf for laptops, media players, or remote controls. A dedicated top-mount camera shelf makes it ideal for video conferences.

Built to Perform and Move with Confidence

Constructed from high-quality powder-coated steel, the cart delivers long-lasting durability. Its four lockable casters with rugged polyurethane tread ensure smooth mobility and stable positioning, even when fully loaded.

VESA-Compatible and Ready for Work

Supporting VESA patterns from 200x200 to 1000x600, this TV cart is compatible with a wide range of TVs and displays. Whether you're leading a training, hosting a video call, or delivering a presentation, it adapts to your needs with ease.
