Unique Aspect Ratio Display

The unique square aspect ratio enhances visual storytelling, ideal for artwork and content that does not fit the traditional 16:9 layout. Video and static content viewed in 1:1 ratio provides an authentic and captivating viewing experience.

Easy Mounting

Installation is quick and effortless, with a secure mounting system that ensures your display is safely positioned. Hang your Textura using the concealed coated rear wire, or use the VESA mounting holes to secure it like a standard display.

Integrated Speakers

Immerse yourself in rich, room-filling sound without extra hardware. Textura's built-in speakers deliver clear, balanced audio that complements the visual experience perfectly.

Multiple Frame Options

Personalise your Textura canvas to suit your décor or branding. Choose from Black, Walnut or White crafted premium hard wood frames to seamlessly integrate with your interior, creating a tailored look that enhances the display's elegance.

Refine Your Corporate Messaging

The Vieunite Textura Pro is a display medium designed to revolutionise business communication. Stand out from competitors and captivate your audience like never before by displaying your own content that truly reflects your brand's identity. Mix exquisite artwork with promotional content and internal communications to create memorable customer experiences.

Flexible Content Playback

Textura Pro gives you total flexibility for displaying content your way. Manage and schedule artwork directly via the Vieunite Pro Portal, run third-party apps on the integrated Android 14 media player, or connect an external device via HDMI.

Remarkable Resolution

Stunning visuals offer beyond high definition clarity, showcasing every intricate detail with vivid detail. Ideal for displaying art, photography, or video content, bringing every image to life with true cinematic quality.
