

Zioxi CHRG-T-CB-20

20-Bay Chromebook Charging Trolley with Key Lock

Secure mobile charging for 20 devices

The CHRG-T-CB-20 provides organised charging and secure mobile storage for up to 20 Chromebooks, tablets and smaller laptops. Devices are stored horizontally on individual shelves, while their original AC power adapters are concealed in a separate electrical compartment.

A soft-start power management module is included as standard to reduce start-up load and help prevent nuisance tripping. The key-locking doors fold back through 270 degrees for clear access, and lockable castors support safe movement and positioning.

20	Up to 14 inch	950 x 640 x 500 mm	Key lock
DEVICE CAPACITY	SCREEN SIZE	H x W x D	SECURITY

Key features

- Charges devices using their manufacturer-supplied AC adapters.
- Separate secured electrical compartment keeps power bricks and mains cabling out of sight.
- zioxi oneClick cable management presents only a short, tidy section of charging lead at each shelf.
- Soft-start power management helps prevent fuse and circuit-breaker issues when charging begins.
- Horizontal shelf layout provides straightforward device access and organised storage.
- Doors fold back 270 degrees and are retained magnetically to reduce obstruction and damage risk.
- Integrated handle cut-outs, lockable doors and lockable castors support safe mobility.
- Requires only one external mains power socket.

Technical specifications

Model-specific data for CHRG-T-CB-20

Specification	Details
Manufacturer	Zioxi
Manufacturer part number	CHRG-T-CB-20
Product type	Mobile Chromebook, laptop and tablet charging trolley
Device capacity	20 devices
Maximum device size	Suitable for devices up to 14 inch, subject to shelf and connector clearance
Shelf aperture	400 mm deep x 255 mm wide x 32 mm high
External dimensions	950 mm high x 640 mm wide x 500 mm deep
Charging method	Manufacturer-supplied AC adapters connected to internal UK or EU-style sockets
External power requirement	1 mains power socket
Power management	Soft-start power management included as standard
Lock type	Key lock
Mobility	Lockable castors and integrated steering handle cut-outs
Finish	White melamine-faced MDF carcass and doors; compact laminate top; recycled extruded-plastic shelves; dark-grey metal electrical-compartment cover
Warranty	5 years; 2 years for electrical components
Included power adapters/cables	Not included; the trolley is designed for use with the individual device adapters and cables

Device compatibility note

The shelf dimensions must allow for the device as well as its connected power plug. Particular care is required where the charging connector is positioned on the rear edge of the device.

Product imagery may show devices or accessories for illustration only. Laptops, tablets, AC adapters and charging cables are not supplied with the trolley.
