

VLS1-16S-M-O

16-bay onView smart laptop charging locker with AC-adapter storage and MIFARE RFID access

Illustrative 16-bay onView RFID tower

Capacity	16 devices up to 17-inch class
Charging	16 mains sockets for AC adapters
Access	MIFARE RFID cards and fobs
Management	onView web portal and mobile app

Product overview

The Zioxi VLS1-16S-M-O is a connected floor-standing charging locker for sixteen laptops, Chromebooks and tablets. A separate front-accessed power bay contains sixteen UK mains sockets and space for manufacturer AC adapters. onView MIFARE RFID access, web management and the mobile app support self-service workflows, remote administration, audit trails and charging controls.

- + Smart operating modes: Configure Loan, Break/Fix, Public and Private locker workflows.
- + Remote administration: Open doors, assign users, quarantine bays and change settings through onView.
- + Audit and reporting: Search user activity, events, power use, temperature and locker location.
- + Green charging: Schedule charging and apply rules to reduce power costs and carbon impact.
- + Flexible AC charging: Supports wall-plug and brick-style manufacturer adapters up to 65 W.

Overall dimensions: 1770 H x 580 W x 510 D mm

Technical specifications

Short product code	VLS1-16S-M-O
Current full UK code	VLS1-16S-M-O-G-UK
