

Zioxi CHRG-LS-16

16-Bay Laptop Charging Trolley with Key Lock

Secure mobile charging for 16 laptops

The CHRG-LS-16 provides organised charging and secure mobile storage for up to 16 full-size laptops. Devices sit horizontally on individual shelves, while their manufacturer-supplied AC adapters are concealed in a separate secured electrical compartment.

Sequential power start helps control electrical loading and supports reliable charging.

KEY

Key-lock security

Lockable front door helps control access to stored devices.

SECURITY

Key features

- Charges laptops using their manufacturer-supplied AC power adapters.
- Separate secured electrical compartment keeps power bricks and mains cabling concealed.
- zioxi oneClick cable management presents only a short, tidy charging lead at each shelf.
- Sequential power start helps avoid fuse and circuit-breaker issues when charging begins.
- Key-locking door provides controlled access to stored devices.
- Doors fold back through 270 degrees and are retained magnetically for clear access.
- Large lockable castors and integrated handle cut-outs support safe mobility.
- Requires only one external mains power socket.

Technical specifications

Model-specific data for CHRG-LS-16

Manufacturer	Zioxi
