Capacity
16 individually secured devices
USB-C charging
PD 3.0 up to 60 W per port
Cables
16 USB-C cables included and fitted
Security
Digital code locks with master key

Product overview

The Zioxi VLS1-16S-UC-C is a floor-standing Volt 1:1 charging locker for sixteen laptops, Chromebooks, tablets and other USB-C devices. Integrated USB-C PD electronics are housed in a separate front-accessed side bay, while only a short fitted cable is presented into each secure compartment. Individual digital code locks include master-key override.

- + Integrated fast charging: USB-C PD profiles support compatible laptops, Chromebooks, tablets and phones.
- + Ready to deploy: Sixteen USB-C to USB-C cables are included and fitted.
- + Flexible digital access: Public multi-user mode is standard and locks can be reconfigured for private use.
- + Protected power system: Charging electronics and excess cabling remain outside the device compartments.
- + Locker-bank ready: Front service access, adjustable feet and 180-degree folding doors simplify installation.

Overall dimensions: 1770 H x 580 W x 510 D mm
