External power socket

Key features

- Static storage and charging for 32 Chromebooks and smaller laptops.
- Manufacturer-supplied AC adapters are secured in a separate electrical compartment.
- zioxi oneClick cable management presents only a short length of charging cable at each shelf.
- Soft-start power management helps prevent fuse and circuit-breaker issues when charging begins.
- Two key-locking doors fold back through 270 degrees and are held by magnetic retention.
- Suitable for education, training, corporate and shared-device environments.

Product specifications

Manufacturer	Zioxi
Manufacturer part number	CHRG-CB-32
Product type	Static Chromebook and small-laptop charging station
Capacity	32 devices
Compatible devices	Chromebooks, smaller laptops, netbooks and tablets
