JMSupplies

Audio Visual Furniture

The DDA Alpha 1200 is an electric height adjustable teaching desk with lockable 15U rack cupboard and 1200mm wide desktop. Retains the flexible functionality of the DDA PP 1200 but at a fraction of the cost. The curved side pods have been modified to reduce the complexity of the manufacturing process.

Desktop rises from 843mm - 1023mm

Unit can be customised to your particular requirements.

Models:

DDA-Alpha 1000 with 1m wide top

DDA-Alpha 1200 with 1.2m wide top

DDA-Alpha 1500 with 1.5m wide top

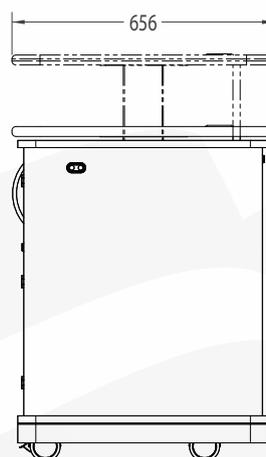

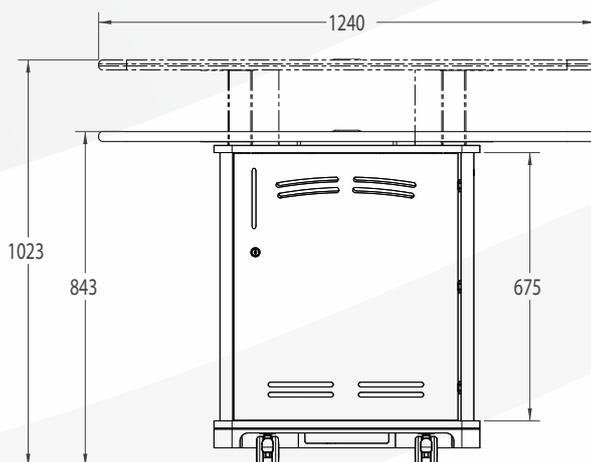

Features:

Ventilated rack cupboard

Lockable removable back panel suitable for all JM branding options

Full cable management from floor to desktop.

Can be coloured or veneered to your choice. Shown here in two tone grey RAL, Terrano Grey top and Graphic Wrap.
