EVER 620 Wall/Floor Air

This wall-and-floor-mounted AV system combines stability with advanced functionality, featuring motorized height adjustment and installation flexibility. EVER620 Air Wall/Floor is designed to accommodate displays up to 98 inches. The robust construction of this wall-and-floor stand is capable of supporting a maximum load weight of 120 kg. Soft and quiet motorized height adjustment. Generous storage space provides a practical solution for organizing AV components. The flexible installation options make sure that EVER620 Air Wall/Floor adapts to a wide range of environments.

For a simplified setup process, a clever installation panel is available as an accessory.
