Made in Sweden

Func Lite Mobile Motorized – Smart Simplicity with Motorized Flexibility

The FMTL041001 Func Lite Mobile Motorized is designed for modern meeting rooms, classrooms, and collaborative environments where flexibility and ease of use matter most. Offering smooth motorized height adjustment in a simplified and cost-efficient package, it makes professional display mobility accessible to more installations and budgets.

With its clean Scandinavian design and stable mobile construction, Func Lite Mobile Motorized supports displays up to 75" and 80kg while allowing effortless positioning and ergonomic height adjustment at the touch of a button. The lightweight platform makes installation, handling, and relocation easier, while maintaining the reliability expected from SMS Smart Media Solutions.

Perfect for corporate meeting spaces, education, and hybrid collaboration environments, Func Lite Mobile Motorized delivers essential functionality with excellent value.

Key Benefits

Motorized 650mm height adjustment for improved ergonomics and accessibility.

Cost-efficient, clean and lightweight design for easy handling and installation.

Stable mobile platform with 75mm lockable wheels for smooth mobility.

Hidden space for media devices and cables behind display.

Ideal for meeting rooms, classrooms, and collaborative spaces.

Designed for professional displays and everyday use.
