

SQUARE GOLF LAUNCH MONITOR & SIMULATOR:

Square Golf offers a state-of-the-art virtual golf practice experience with accurate shot analysis and lifelike 3D courses. Utilising a high-speed camera and machine vision technology, it provides precise feedback on your club & golf ball. Transform your home golf studio with Square Golf.

- Accurate measurement of ball speed and direction
- Accurate measurement of ball spin (requires dotted golf ball)
- Measurement of swing path (club marker required)
- Virtual swing support using a swing stick

GOLF SIMULATION MODES:

Driving Range Mode

Practice your golf shots on a realistic driving range.

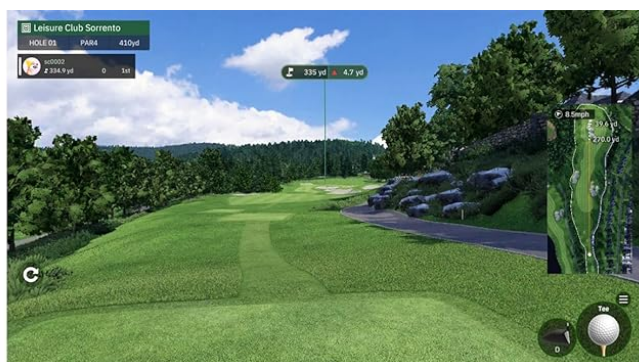

- Choose between two modes: Graphical & Data
- Ball data: Speed, Direction, Angle, Spin, Apex, Carry, Run, Total.
- Club data: Swing Path, Face Angle, Dynamic Loft, Angle of Attack.

Putting Practice Mode

Perfect your putting skills with realistic green simulations.

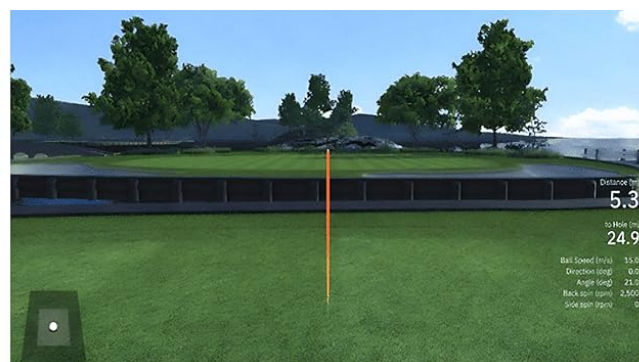

- Practice putts from 5 to 50 ft.
- Adjustable green speeds from 8 to 13.
- Receive detailed feedback on distance, speed, & trajectory.

Game / Multi Game Mode

Experience famous golf courses and compete in various game formats.

- Choose from up to 10 golf course (10 more coming soon)
- Adjust green speeds & tee positions.
- Play with up to 4 players & receive detailed shot feedback.

Closest to Pin Mode

Hone your approach shots with varied practice scenarios.

- Adjustable target distances (30-150 yds).
- Set green speeds from 8 to 13.
- Instant feedback on distance, trajectory, & landing proximity.

Cutting-edge golf technology for unmatched shot accuracy:

Technology	High-speed camera and machine vision technology
Ball Data	Ball Speed, Direction, Launch Angle, Spin Rates, Apex, Carry Distance, Run, Total Distance.
Club Data	Swing Path, Face Angle, Dynamic Loft, Angle of Attack
Virtual Swing stick	Innovative swing stick that allows you to practice and analyse your swing anywhere

Golf Courses	10 ultra realistic courses with 10 more coming soon
Battery Life	Up to 8 hours with a removeable Lithium-ion battery
Connectivity	Bluetooth using your phone, tablet, laptop or PC
Size & Weight	Square Golf Device: 19cm x 7cm x 7 cm Virtual Swing Stick: 70cm x 5cm x 5cm
