SECURITY

Key features

- Charges devices using their manufacturer-supplied AC power adapters.
- Separate secured electrical compartment conceals power bricks and mains cabling.
- zioxi oneClick cable management presents only a short, tidy section of lead at each shelf.
- Soft-start power management helps prevent fuse and circuit-breaker issues at start-up.
- RFID access-card or FOB lock with master-key override.
- Doors fold back through 270 degrees and are retained magnetically for clear access.
- Lockable castors and integrated handle cut-outs support safe mobility.
- Requires only one external mains power socket.

Technical specifications

Model-specific data for CHRG-T-CB-16-R

Manufacturer	Zioxi
Manufacturer part number	CHRG-T-CB-16-R
Product type	Mobile Chromebook, laptop and tablet charging trolley
Device capacity	16 devices
Maximum device size	Suitable for devices up to 14 inch, subject to shelf and connector clearance
Shelf aperture	400 mm deep x 255 mm wide x 40 mm high
External dimensions	950 mm high x 640 mm wide x 500 mm deep
Charging method	Manufacturer-supplied AC adapters connected to internal UK or EU-style sockets
External power requirement	1 mains power socket
Power management	Soft-start power management included as standard
Lock type	RFID access-card / FOB lock with master-key override
Mobility	Lockable castors and integrated steering handle cut-outs
Doors	Lockable doors fold back 270 degrees with magnetic retention
Finish	White melamine-faced MDF carcass and doors; compact laminate top; recycled extruded-plastic shelves; dark-grey metal electrical-compartment cover
Warranty	5 years; 2 years for electrical components
Included power adapters/cables	Not included; designed for use with the individual device adapters and charging cables

Device compatibility note

Shelf dimensions must accommodate the device and its connected power plug. Take particular care where the charging connector is located on the rear edge. Confirm critical device dimensions before purchase.

RFID and supply note

RFID credentials must be paired to the lock using the supplied master credential. Devices, AC adapters and charging cables are not supplied with the trolley.

Data source: current Zioxi manufacturer product page and model specifications, cross-checked against the UK product listing for CHRG-T-CB-16-R. Specifications can change without notice; confirm critical dimensions and electrical requirements before purchase or installation.
