

CHRGUC-CB-10-K#

10-Bay USB-C PD Chromebook Charging Cabinet - Key Lock

Product overview

A compact desktop charging cabinet designed to securely store and charge up to 10 Chromebooks, laptops or large tablets with screens up to 14 inches. The CHRGUC-CB-10-K# configuration combines integrated USB-C Power Delivery charging, pre-installed USB-C cables, tidy oneClick cable management and a lockable key-operated door.

Designed for: classrooms, offices, healthcare environments and other shared-device spaces.

10	Up to 14"	60 W
device bays	device screen size	per USB-C port

Key features

- Integrated USB-C PD charging for 10 devices from a single external mains connection.
- Supports common USB-C PD voltage profiles for Chromebooks, laptops, tablets and phones.
- Key-operated lock provides controlled access to stored devices.
- Smooth, easy-clean surfaces and a compact footprint suitable for desktop installation.
- USB-C to USB-C charging cables included and pre-installed for the # configuration.
- zioxi oneClick cable management presents only a short, neat cable length at each shelf.
- Door folds back through 270 degrees to improve access and reduce the risk of damage.

External dimensions	480 W x 450 D x 520 H mm
Shelf aperture	255 W x 400 D x 40 H mm
Finish	White cabinet with dark grey electrical compartment cover
Warranty	5 years; 2 years for electrical components

Cable management	zioxi oneClick cable management
Door opening	Folds back approximately 270 degrees
Active cooling fans	Not required
Warranty	5 years for the cabinet; 2 years for electrical components

Compatibility note

The stated 14-inch compatibility is a screen-size guide rather than a guarantee of fit. Confirm the complete device dimensions, including any protective case and the USB-C connector position, against the shelf aperture before ordering.

Specification note

The trailing # identifies a distributor-listed configuration supplied with pre-installed USB-C cables and rated at up to 60 W per port. Zioxi also lists a CHRGUC-CB-10-K configuration with different cable and power-module details. Confirm the exact ordered configuration with the supplier.

Product image is representative. Specifications are subject to manufacturer change without notice. Prepared from current Zioxi product information and distributor data for the CHRGUC-CB-10-K# configuration.
