

## 3652RK

Creative Touch 3-Series 65" interactive flat panel display

- Advanced interaction and collaboration Display Share interactive wireless collaboration toolset
- Advanced touch technology Pen and finger recognition for a seamless experience
- Picture-in-picture (PiP) Run the software solutions you know and love from your laptop whilst seamlessly annotating in Creative Board
- Safe and secure viewing experience Anti glare and anti finger print, low blue light and flicker free TUV certified

Robust collaboration, extensive connectivity options and a value-focused design. Combining the latest technology and packed with everything a classroom or business requires, the Creative Touch 3-Series delivers all the functionalities and processing power needed to create, educate and collaborate.

Easily access the front-facing ports for HDMI and USB connectivity. For wireless connectivity, Optoma's CreativeCast Pro allows up to four users to share content at the same time from their Windows, iOS, macOS, Chrome or Android device.

## **Specifications**
