Product overview

The Zioxi VLS1-24S-UC-O is a connected floor-standing charging locker for twenty-four laptops, Chromebooks, tablets and other USB-C devices. Integrated USB-C PD electronics are located in a separate front-accessed bay, while fitted cables are presented into each compartment. onView provides MIFARE RFID access, remote management, audit trails and green charging.

- + High-density charging: Twenty-four individually managed device compartments.
- + Integrated USB-C PD: Charges compatible laptops, Chromebooks, tablets and phones.
- + Ready to deploy: Twenty-four USB-C to USB-C cables are included and fitted.
- + Remote management: Control users, doors, modes and alerts through onView.
- + Reporting and green charge: Monitor events, power, temperature and lower-carbon charging.

Overall dimensions: 1770 H x 580 W x 510 D mm

Technical specifications
